

YOU RULE

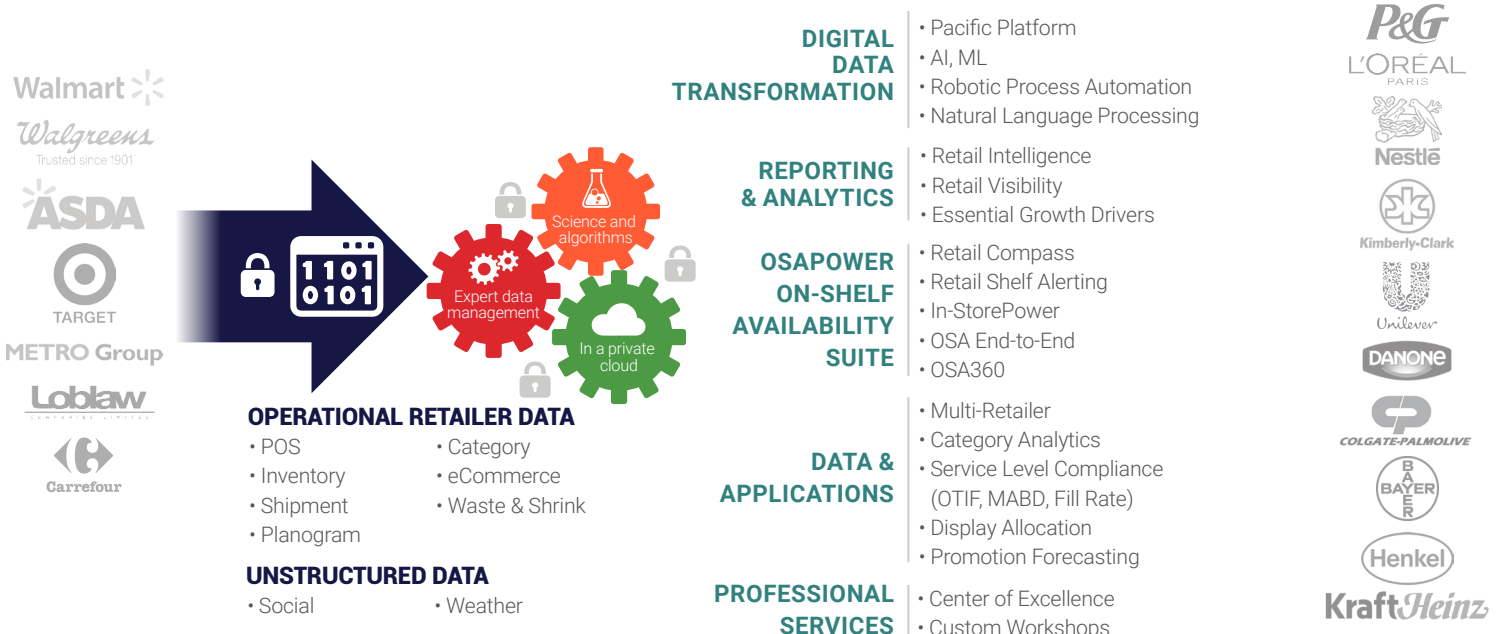

Company Overview

Empowering CPGs & Retailers to Lead Digital Transformation

RSi is a global digital transformation technology company that provides solutions that enable CPG manufacturers and retailers to grow, profit and rule – from supply chain to shelf. More than three-quarters of the world's 50 top CPG companies and nearly 250 of the leading retailers trust RSi's unparalleled industry knowledge, best-in-class digital technology solutions, and deep data expertise to generate greater productivity and profitability.

RSi's cloud-based digital transformation engine is fueled by AI-driven technologies that deliver real-time, actionable insights seamlessly across every channel. CPGs and retailers recapture hundreds of millions of dollars in lost sales each year with RSi's OSAPower, the world's #1 on-shelf availability suite of solutions. RSi's employees located in 20 locations across the globe are passionate about helping customers to rule the shelf, and own the future.
